## Green Season

### November - May

Following the tropical rains, Komodo's hills transform into lush green landscapes with dramatic scenery across the islands. This season offers quieter cruising, vibrant nature, and beautiful underwater life.

## Golden Season

### June - October

As the dry season arrives, Komodo's landscapes turn golden beneath sunny skies and calm seas. It is the perfect season for sailing, island hopping, snorkeling, and panoramic trekking.

# Private Charter

A private charter gives you the entire yacht for you and your group, with more freedom to shape the journey around your pace, preferences, and special moments. It is ideal for families, couples, friends, and private celebrations seeking privacy, flexibility, and a more personalized experience.

# Testimonials

**Arden Michelle**

Just returned from the 3day/2 night tour to komodo and it was INCREDIBLE! One of the best experiences of my life! Hello Flores has an amazing boat, crew and food! I am so grateful for the experience booking with them, myself and the other guests were fortunate to see everything we expected and beyond. The boat is beautiful and comfortable as seen in the photos on their site. I highly recommend booking with Hello Flores for your trip to flores/ komodo you will not be disappointed!!

**Saskia König**

Hello Flores is a very professional and trustworthy agency. Communication was always quick and helpful. We had an amazing weekend on the Gandiva Boat in Komodo National Park. Thank you so much!

**Christian Diestinger**

We booked our 3D2N Komodo trip through Hello Flores and were very satisfied. The booking process was quick, and the responses were prompt, detailed, and helpful. The tour was superbly organized from start to finish. We couldn't have asked for a better experience. We highly recommend planning your trip with Hello Flores.

**Valentina Tarasova**

We absolutely loved it! Everything was excellent! The weather, the views, the itinerary, the crew and even our group of 6 couples. Thank you for organizing, this is in fact a great cruise we would definitely recommend it to our friends and family. Special thanks to Erwin, Deny from the kitchen, Saver and chef.

**Alejandro fernandez**

The experience was incredible! We stayed on the Elbark boat in the Missol cabin. The staff were fantastic, the food was delicious, and the itinerary was tailor-made. We were practically alone everywhere we went! Definitely a 100% recommendation!

# FAQ

## When is the best time to visit Komodo?

Komodo can be visited year-round, with each season offering a different atmosphere. The Green Season brings lush landscapes and fewer crowds, while the Golden Season offers sunny days, calm seas, and iconic golden hills.

## Are the crew trained?

Yes. Each yacht is operated by an experienced local crew who understands the boat, the route, and the conditions in Komodo National Park. The crew are experts in their respective fields and hold the relevant certifications required for their roles.

## Does the boat follow safety protocols?

Yes. The boats follow standard safety procedures and are equipped with essential safety equipment for cruising in Komodo. Hello Flores only works with trusted boats that undergo annual maintenance and regular checks every three months.

## Will there be crew accompanying us when snorkeling?

Yes. Snorkeling activities are usually guided or supervised by the crew, especially in selected spots with currents or marine activity. They will help ensure guests can enjoy the water safely and comfortably.

## How does the payment work? Do I need to pay in full?

Payment terms may vary depending on the boat and trip type. In most cases, guests can secure the booking with a down payment, with the remaining balance paid before departure according to the agreed payment schedule.

## Can we dive during a short shared trip?

Diving is only available on longer shared trips and private charters. For short shared trips, snorkeling is usually the main water activity.
